I am extremely delighted to learn that the management of Sai Karuna Dham, Sector-61, Noida, is going to publish the second issue of their annual souvenir titled 'Sai Prabha'. This initiative by the management of the temple will certainly go a long way in spreading awareness among the Sai devotees about the divine life and philosophies of Shri Shirdi Sai Baba.

Spreading the name and teachings of the master is the greatest service that can be rendered by a devotee to the Master. I am sure, the publication of such literary collection as undertaken by the temple will immensely contribute in quenching the ever growing thirst of the devotees to know more and more about Shri Shirdi Sai Baba, His philosophies and teachings, spiritualism and other related topics.

I congratulate the publication group, the writers and also the readers, for this effort in the path of devotion to Shri Shirdi Sai Baba.

May Shri Sai bless us all.
